Featured Speaker:

Jordan Irish

We invited Jordan back for another year! Jordan Irish is a husband and father of five children that lives in Saranac, Michigan. When he is not changing diapers, wrestling with his kids, playing music with his wife, or spending time outside barefoot, Jordan serves as a project leader in the construction industry. Jordan has an insatiable hunger for experiencing and sharing God's goodness and presence in the here and now. His love of creation and lust for life is a contagious encouragement to those around him.

An Introduction to the topic from our speaker:

Taste & See 2.0:

Transformation in Christ the Living Word

At last year's men's retreat we took a deep dive into "Rediscovering the Real" with what Jesus called the "Eye of Light." With this lens of faith rooted in the Love of God, we were introduced to the "divine attributes clearly seen" where "all things work together" in a unified whole through the perfect power and presence of Christ the Living Word (i.e. Logos) in all creation.

This year we will continue to explore living examples of Love's foundational presence and work in the fabric of reality, and how to partake of this "Bread of Life" - the Way (or Yoke) of Christ - in practical ways that will transform our minds, our hearts, our marriages, our families and world.

Come! Join with other brothers of growing faith at this year's Winding Creek Men's Retreat to taste and see God's goodness - alive, active, and available to us, here and now. Come! Experience Christ anew, God with us and for us. He is behind and before us, calling us, drawing us, inviting and pulling us all - everyone - into a better future than we could ever imagine."
