

2022

INFORMATION PACKET

Hello!

We are so excited you have chosen to attend Unstoppable Camp 2022. You are going to make some incredible memories, build some lifelong relationships and experience God in a powerful and transformational way.

My name is Len, and I am one of the Co-Directors along with "The Head Director" Gary "PG" Schnepf this year. Parents or students, if you have any questions, please don't hesitate to reach out via phone, text or email at our contact info listed below.

Unstoppable Camp 2022 is for students entering 6th grade through Summer after 12th grade.

We're excited to announce that our "Day Away" for 2022 will be at **Craig's Cruisers** in Grand Rapids, MI. We have had to make some changes this year with the cost of the economy going up. We have chosen to keep the day away because we had to give a \$1,000 deposit 2 years ago and we were rained out for 2021 and if we do not use it this year... then we will lose it. The good thing is the transportation company has honored their pricing from 2021 and even though their prices have doubled we will only pay the 2021 price.

As is custom, this packet includes the following:

Registration Form - Registration Deadline is nonexistent again this year. We ask that you email us as soon as possible with how many of your children will be participating this year. Cost for camp is \$189 for day campers and \$289 for overnight campers. Excited to have the overnights back again this year!

Packing List - Detailed information on what to bring, what not to bring, what you might need money for and the Unstoppable Camp 2022 Dress Code.

Rules & Regulations - Please take a moment to read through our rules and regulations. If you have any questions or concerns, please contact us directly.
